

Take one cheer each day and use it all day long. Put it in the box at the end of the day. The next day, select another cheer and use it all day long. After about two weeks, you'll have a box full of celebrations. Let children choose a cheer out of the box to celebrate an accomplishment or to reinforce positive behavior. The celebrations are also great for a "brain break" or a "smile break." **Encourage your students to create** their own cheers and teach them to the class!
